COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS)
ADJUSTMENT FILING OF ATMOS) CASE NO. 2008-00240
ENERGY CORPORATION)

O R D E R

On July 31, 2007, in Case No. 2006-00464,¹ the Commission approved rates for Atmos Energy Corporation ("Atmos") and provided for their further adjustment in accordance with Atmos's Gas Cost Adjustment ("GCA") clause.

On June 30, 2008, Atmos filed an interim GCA to be effective August 1, 2008.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Atmos's notice includes revised rates designed to pass on to its sales customers its expected change in wholesale gas costs.

2. Atmos's Expected Gas Cost ("EGC") for firm sales customers is \$14.9199 per Mcf, an increase of \$1.3628 per Mcf from the previous EGC of \$13.5571. Atmos's EGC for interruptible sales customers is \$14.0109 per Mcf, an increase of \$1.3628 per Mcf from the previous EGC of \$12.6481.

3. Atmos's notice sets out no current period Refund Factor ("RF"). The total RF is \$0 per Mcf for firm sales customers and \$0 per Mcf for interruptible sales customers, and represents no change from the prior RF. Atmos's notice sets out no RF

¹ Case No. 2006-00464, Application of Atmos Energy Corporation for an Adjustment of Rates.

for T-2 firm transportation customers, T-2 interruptible service, T-3 carriage Service, and T-4 firm carriage service.

4. Atmos's notice sets out a Correction Factor ("CF") of \$.6510 per Mcf, which is a decrease of \$.1772 per Mcf from the previous CF.

5. Atmos's notice sets out a Performance Based Rate Recovery Factor of \$.0969 per Mcf, which is effective from February 1, 2008 until February 1, 2009.

6. Atmos's GCAs are \$15.6678 per Mcf for firm sales customers and \$14.7588 for interruptible sales customers. The impact on firm sales customers is an increase of \$1.1856 per Mcf from the previous GCA of \$14.4822. The impact on interruptible sales customers is an increase of \$1.1856 per Mcf from the previous GCA of \$13.5732.

7. The rates in the Appendix, attached hereto and incorporated herein, are fair, just and reasonable, and should be approved for final meter readings by Atmos on and after August 1, 2008.

IT IS THEREFORE ORDERED that:

1. The rates in the Appendix to this Order are approved for final meter readings on and after August 1, 2008.

2. Within 20 days of the date of this Order, Atmos shall file with the Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 11th day of July, 2008.

By the Commission

ATTEST:

Executive Director *for Stephanie Stumbo*
